

HOT SHOTS

Newsletter of Goulburn & District Branch

FEBRUARY 2014

YOUR branch needs YOU!

To ensure we have sufficient numbers to conduct our *AGM*.

You may be aware we had to hold a second one last year, a time and money consuming exercise for our branch.

Please attend if you are able.

DATE: Tuesday 4th March
TIME: 7pm
VENUE: Soldiers Club

New Service

New to our branch is the service rifle discipline. Regular shoots occur on the 1st Sunday afternoon each month from 1pm.

Member interest is strong and it seems strangely appropriate for our century old military range to be used for this sort of target practice. I'm sure the gentleman above would approve.

If field stripping means more to you than taking your clothes off, if you love the smell of cordite, have an old "Smelly" SMLE or something else of interest laying around or would just like to try one feel free to join us.

ATTENDANCE

The Attendance Year closes

Monday 31 March.

It's important licence holders complete the required number of shoots by then.

- **target shooting 4**
- **hunting 2**
- **collecting 1**

YOU may have received a reminder from the SSAA.
